Hello Mr. Heimlich,

My name is John C. Smiley I am Norman D. Smiley's son. My father passed away some years ago and I was wondering how big and what role my father played in the mine incident.

Thank you for any help,

John C. Smiley

Note: MM1 Smiley was awarded the [Navy Achievement Medal](#) with a combat "V" for valor for his actions during the incident. I do not have a copy of the citation for the award.
