Ralph,

I was aboard DD-843 when she was hit off of Quangtri, North Vietnam. I was under LTjg Jerry Oliver. I was wondering whether any reunions were planned. I would like to get on a mailing list. I don't get on line on a regular basis, but will answer any emails. I was also involved in the decommissioning at Subic Bay. Please get back with me when you get a chance. My address is 9328 Old Court Rd., Baltimore, MD 21244.
