Hello,

My photo is in the group shot with Ensign Waters. I am at the far right of the three pictured and my name is John "Mushy" Callahan OS2 at that time and the man on the left is Richard Crutchley OS2 from Stamford CT. I currently live in Lakeview, NY.

Note: The photo, correctly captioned thanks to OS2 Callahan, is at <https://warrington.heimlichfamily.net/officers-and-men/>, third from the bottom.
