I am interested in what type awards were issued to the ship and crew. I am having a problem with a claim for PTSD with the VA because I went home early on emergency leave and never had the combat action award or any other awards listed or entered into my records. I didn't go home until we were back in Subic Bay. It was late September or early October.

I would appreciate any kind of help with this matter.

Thank you,

SN Roland Lambert, 1st Div
